

**FAST CASUAL
RESTAURANTS**

ASK US HOW we helped a Top 5 QSR Chain with their indoor menu boards that delivered 3-5% increase in sales

- ▶ **3,000 locations**
- ▶ **15,000 menu boards**
- ▶ **Completed in 9 months**

“The team was fast, efficient and courteous. I am very pleased with the job completion level and the minimal impact on the restaurant and our customers. Nice job!”

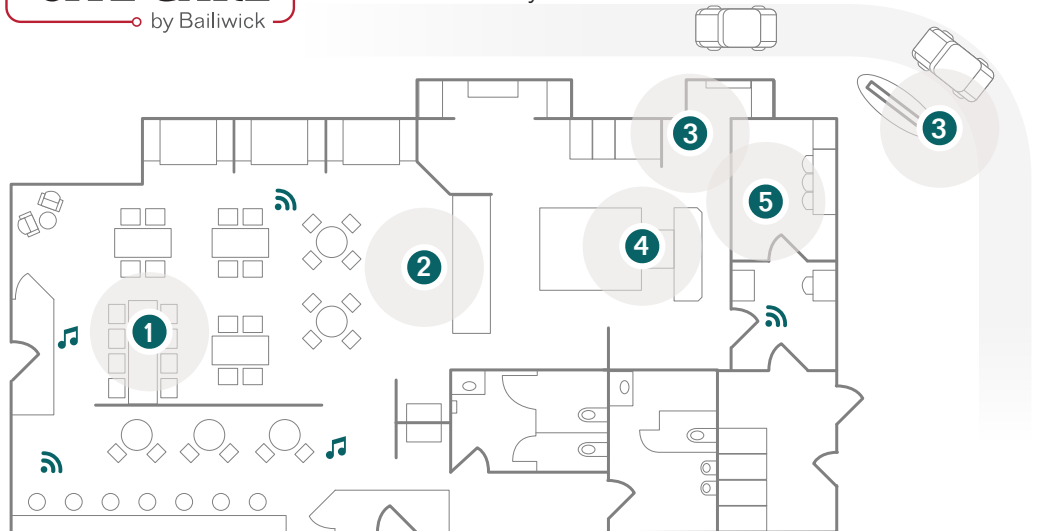

- Current Client

Satisfy the appetite for high-tech environments

**TOTAL
SITE CARE™**
by Bailiwick

Bailiwick designs, installs & manages IT for success at all your locations

1 GUEST EXPERIENCE

Maintain high-appeal entertainment, ordering and payment technologies to ensure a welcoming environment.

SUCCESS STORIES

OUTDOOR DIGITAL MENU BOARD INSTALLATION

#1 QSR Chain

3,000 Locations
7,500 Boards in 30 states

- Solution:**
- End-to-end project management included 6300 permits executed, 3.7M ft of cabling and 2.2M ft of electrical
 - Full construction management, oversaw 9M lbs of concrete poured

Result: Owner/Operators had **peace of mind** knowing Bailiwick was managing entire project. Completion of full project due fall of 2019.

POS TECHNOLOGY UPGRADE IN ALL RESTAURANTS

National Chain

360 Locations
48 States

- Solution:**
- Credit/Gift Card
 - Terminals
 - Cabling
 - Server Installation Service
 - Data Migration

Result: **SEAMLESS TRANSFER** of data – old to new equipment

NO BUSINESS DISRUPTIONS:
100% of installs and configurations done during off hours
